NO JOB IS TOO BIG

Extensive experience working in industrial environments.

BUSINESS IS AT HAND

Productivity starts with a well-maintained facility.

TOUGH WORK CALLS FOR TOUGH PAINT

Factories, tanks, industrial complexes—Been there, painted that.

OUR PEOPLE ARE **THE DIFFERENCE**

We've completed thousands of industrial painting and coating projects throughout the Valley over our 45 years of operation, but our goal has never changed: listen to customers and exceed their expectations. We meet that goal by ensuring every Ghaster employee provides remarkable customer service every day.

CUSTOMER QUESTIONS

Ask these questions before you hire an industrial painting and coating contractor.

ARE YOU LICENSED, BONDED AND INSURED?

Yes. We have been a licensed painting contractor since 1975. Our Arizona license number is CR-34 ROC#089238. We are bonded and carry \$6 million in liability coverage.

DO YOU OFFER A WARRANTY?

Yes, we do offer a standard warranty on all work as well 10 to 20 year warranties for certain projects.

WHAT KIND OF PAINT DO YOU USE?

Every job is different. So, we customize the types of paints and coatings we use by project.

DO YOU USE SUBCONTRACTORS?

No. All of our crews consist of employees, many of whom have worked for us for years. They are OSHA 10 and 30 trained, background checked and have DPS Level 1 fingerprint cards.

THE GHASTER GUARANTEE

Since 1975, we've been a full-service commercial and industrial painting contractor in Arizona. We're a family, not a franchise, which means we approach every job with sincerity, care and expertise. Our mission is to provide every customer with unparalleled service, professionalism and a better painting experience.

“My reputation and measure of success will not be based on what I say about myself, but rather on what is said about Ghaster Painting & Coatings, Inc. by those I have had the opportunity to serve.”

Brad Ghaster, President and CEO

THE PEOPLE BEHIND THE PAINT

At Ghaster, we believe the people are the secret to unparalleled quality. Whether you are dealing with our leaders Brad, Kirsten or Gary or any of our OSHA 10 & 30 Certified crews, your job will be serviced with professionalism and courtesy.
